

SIGNORELLO VINEYARDS
ESTATE CABERNET SAUVIGNON 2004
USA, Napa Valley

Founded in 1977, Signorello Vineyards is dedicated to making high quality wines from grapes grown on the estate. With a thirty year history, we continue to honour the history of the land, traditions of old-world winemaking and the passion of its founder, Ray Signorello, Sr.

Our estate vineyards, planted in 1990 on the Napa Valley hillsides east of the Silverado Trail, provided the grapes for this Bordeaux style Cabernet Sauvignon. Cabernet Sauvignon, Merlot and Cabernet Franc were carefully blended to create this unfiltered wine.

Our signature wine is chocolate coloured and opens to coco bean, allspice and vanilla. The lush, full-bodied palate continues with flavours of black currant and hints of tobacco. This wine's incredible balance and long finish is accentuated by its integrated tannins and lush flavours.

Available at the Festival Wine Shop, select BCLDB stores and select private wine stores. +457747
